INTERVIEWED: [REDACTED] 911 caller

[REDACTED]  
South Bend, IN 46601

DOB [REDACTED]

Cell [REDACTED]

On Thursday, 9-5-19, at approximately 10:00 AM, Detective Pete Tressler, Prosecutor Ric Hertel and I made contact with [REDACTED] at his apartment and the following is a summary of the information that [REDACTED] shared with us.

[REDACTED] verified he was the one that called 911 on Sunday morning, June 16, 2019, reporting someone breaking into cars in the area. [REDACTED] said he had some messages and he didn't return the calls because he didn't want people in the public to know he was the one that called the police that got Eric Logan shot. [REDACTED] said he was worried about being a spectacle and retribution from people for calling the cops.

[REDACTED] said he lives by himself and has lived in the apartment about five years. [REDACTED] said on the morning of Sunday, June 16, (Father's Day) he woke up about 3:20 AM and was smoking a cigarette looking out the window. [REDACTED] said he saw a black guy, tall, husky, and wearing all dark clothing walking around the street and in the school parking lot. [REDACTED] said the guy had a flashlight and was going from car to car, and heard what [REDACTED] thought was a window being smashed. [REDACTED] said he heard another window get busted so he called 911.

[REDACTED] said he didn't think it was right, (someone breaking into cars) because the people work for what they have and walk their dogs in the area and he didn't want to see this stuff going on in his neighborhood.

[REDACTED] said he was looking out his bedroom window and saw a squad car pull into the parking lot from the far side. [REDACTED] said he saw the squad car drive thru the parking lot and disappeared behind the building. [REDACTED] said he heard two shots, like bang, bang, describing the shots as very close together.

[REDACTED] said he didn't see what happened as his view was obstructed by the apartment building. [REDACTED] showed us where he was watching from his bedroom window and in fact the area where the shooting of Eric Logan occurred was not in view from [REDACTED] bedroom window.

[REDACTED] explained he was in the US Army and has back issues. [REDACTED] said he works odd jobs such as painting when his back permits him.

**NARRATIVE:**

INTERVIEWED: [REDACTED] property manager  
The Historic Lofts-Central High and Stephenson Mills  
[REDACTED]  
South Bend, IN 46601  
[REDACTED]

On Monday, 7-22-19, at approximately 2:53 PM, Detective Pete Tressler and I met with [REDACTED] in her office of the Central High apartment complex. The interview with [REDACTED] was audio recorded and the following is a summary of the information that [REDACTED] shared with us.

Prior to meeting with [REDACTED], her assistant, showed us around the apartment complex where the video surveillance wires had either terminated or been cut. I photographed the unplugged and cut wires as well as the wires on the apartments that are still hanging on the building as well as two cameras that appear to be facing the parking area of the apartment complex.

The wires terminate in two areas, one is an area they call the filing room and the second is outside of what is now the fitness room.

[REDACTED] explained the building was made into apartments in 1995, and then about five years ago the building was purchased by new owners from out of town and renovated under the new ownership.

[REDACTED] explained prior to the renovation, her office used to be a one bedroom apartment. The present fitness center used to be the rental office. [REDACTED] said prior to the renovation five years ago there was an active camera system and during the renovation /construction wires were severed on the inside and outside of the building and the system was never put back together.

[REDACTED] said for the last five years they have had no operating camera system.

[REDACTED] said she used to work at the apartment complex and left employment and when the new owners purchased the building she came back to work at the apartment for the new owners. [REDACTED] said she had worked at the apartment complex when the camera system did work.

[REDACTED] again explained the surveillance room prior to the renovation was made into a fitness area and the new rental office area used to be a one bedroom apartment.

[REDACTED] explained there are two apartments' buildings on the grounds, one is on Colfax and one is on Williams, with different addresses, but both buildings are under the same ownership and managed by her.

[REDACTED] said when the camera system worked the same system monitored both buildings. [REDACTED] said for the last five years the apartment complex has not had a working camera system.

The interview with [REDACTED] ended at 2:58 PM

**NARRATIVE:****INTERVIEWED:**

On Thursday, 10-24-19, at approximately 8:35 AM, Detective Pete Tressler and I spoke with [REDACTED] in a private office in the St. Joe County Courthouse. This interview was audio recorded and the following is a summary of the information that [REDACTED] shared with us. Anyone reading this report should listen to the actual recording for a full understanding of [REDACTED] statement.

Tressler and I contacted [REDACTED] and her attorney as they were leaving the Superior 2 courtroom and asked for permission to speak with [REDACTED]. Neither [REDACTED] or her attorney objected to us speaking with [REDACTED] as we explained we were speaking to [REDACTED] as a witness and not as a suspect and assured both [REDACTED] and her attorney we were not there to take [REDACTED] to jail.

We explained to [REDACTED] we wanted to know what she recalled about the incident that occurred between her and South Bend officer Ryan O'Neill which [REDACTED] referred to as Officer Ryan.

[REDACTED] said it happened between Easter weekend and 6-3-19. Her reasoning was because she was doing weekends in jail and then she decided she wasn't doing weekends and she got picked up on a warrant on 6-3-19 and spent from 6-3-19 until 6-28-19 in the St. Joe County Jail. She wasn't sure what day it was that Ryan picked her up but she knows what ATM it was that he drove to and got money for her.

[REDACTED] said she does crack and not cocaine.

[REDACTED] said she walking the street trying to make money and it was raining and a cop pulled up and asked her what she was doing. [REDACTED] said she told him she was trying to make money and the cop asked her what if he could help her make some money. [REDACTED] was concerned it was a set up and she told Ryan her name was [REDACTED]

[REDACTED] ask Ryan how he could help her because she was needing some crack. [REDACTED] said Ryan kept his back to her at this time. [REDACTED] said Ryan ask [REDACTED] what if he gave her some money to do something and at this time she didn't care he was a cop.

[REDACTED] said Ryan didn't want to do it in that part of town and she got in the police car with him and he drove to the TCU on Jefferson Street and got \$20. [REDACTED] said she tried getting \$50 from him but he was cheap and would only give her \$20. [REDACTED] said after the TCU he drove to a big tree and they got out and Ryan told her not to take her clothes off just to take her panties down and bend over. [REDACTED] said she did what he told her to do and Ryan got his penis out and masturbated and ejaculated onto her buttocks. [REDACTED] said she asked him if he wanted to have intercourse but Ryan only masturbated.

[REDACTED] said after he was done they got back into his car and he drove her to her house and as she was getting out she asked his name and he told her he was Officer Ryan.

█████ said she wants nothing for telling us this. █████ said if we didn't believe her that we could take her out to the streets where Ryan works and she thinks he would pick her up again.

█████ said after she got out of jail she called her people (Neil and the black girl) and she told them and asked if she could get a deal. █████ said she was in jail from 6-3-19 until 6-28-19 and they don't watch the news in jail and when she got out and looked at the TV, she verified that was the cop that picked her up that was involved in the shooting. █████ said she called Neil because she wanted a deal.

█████ said she wanted a deal when she got arrested but Neil was mad at her. █████ said she told the cop to call Neil and Neil told the arresting officer to do what he needed to do so █████ got arrested on the warrant, possession of a meth pipe and false informing. █████ said Neil was mad at her because he got her weekends in jail and she didn't do them.

█████ said Neil picked her up and they tried to find the tree.

█████ said she has had sexual contact with four South Bend officers and they are:

- 1). Chuck █████ - took her where they shoot and was back in 2008
- 2). Castle- no longer a cop because he told people what the cops were getting ready to do
- 3). █████ couldn't think of the 3<sup>rd</sup> officer's name but she thought it started with "H"
- 4). Officer Ryan

█████ said when she told Neil, he told her not to tell anyone outside of law enforcement because he didn't want it going around on the streets. █████ said she has not told anyone other than Neil, his stooges and the black girl and now us.

█████ said Neil wants █████. █████ is her man, and █████ is on her couch now.

█████ said she has lost a lot of phones. █████ said she gave Officer Ryan her cell phone number but he never did call her as she lost her cell phone.

█████ said she is an escort and works on line.

We then reviewed what █████ had told us about her involvement with Officer Ryan. █████ said she got out of jail on █████ and either that night or the next day she called Neil in order to tell him that had information for him. █████ then said she actually called the black girl and told her to have Neil get ahold of her because Neil is bad at answering his phone and █████ wanted to tell them about Officer Ryan.

█████ said she was surprised it happened with an officer because nothing has happened between her and other officers for a long time. █████ said she has not told anyone outside of law enforcement and she is not going to tell anyone.

█████ said she saw Officer Ryan's face when she got out of the car when he dropped her off at her house.

█████ said Officer Ryan told her he wanted to get out of the area in order to the sex thing.

█████ showed us what she did while Officer Ryan masturbated. █████ said she was wearing a black dress with flowers on it and he told her to pull down her panties. █████ said Officer Ryan masturbated for about two minutes and ejaculated onto her butt. After he was done they both got back in the car and he took her home. █████ said Ryan's penis never did come into contact with her, and there was no touching of either one of them. █████ said the only thing she found weird about the situation was he was a cop. █████ said her other tricks have all sort of fantasies so she didn't find what Ryan did weird. █████ said she was at █████.

█████ briefly explained how she got arrested on █████. █████ said she was with a trick and she got mad at him because she has a temper and she was driving his truck and she told him to get in before the cops got called and he told her the cops were

already called. [REDACTED] said they were at [REDACTED] and when the cops got there they told her to get the truck out of the middle of the street so she pulled the truck in the BP parking lot where she got arrested for drugs and false informing and the warrant.

[REDACTED] told us to never come to her house [REDACTED]

[REDACTED] said if we ever needed to get a hold of her in future the best way was to contact [REDACTED] and she would call her and talk [REDACTED]

[REDACTED]

[REDACTED]

[REDACTED] with South Bend Police Chief Scott Ruskowski but [REDACTED] doesn't know Scott. [REDACTED] said she knows of Scott's brother's, [REDACTED]

The recorded interview was uninterrupted and stopped at 9:24 AM.

**NARRATIVE:**

On Wednesday, 8-21-19, at 10:50 AM, Detectives Tom Baxter, Pete Tressler and I met with Ryan O'Neil and his attorney's, John Kautzman and Leo Blackwell in a private office at the Hamilton County Prosecutor's office.

The first part of the interview was audio recorded and has been transcribed and included in a separate supplemental report. The second part of the interview dealt with the reason for Ryan's resignation from the South Bend Police Department and per an agreement with Special Prosecutor Ric Hertel and defense attorney John Kautzman, nothing that Ryan O'Neil verbally shared with us could be used in the prosecution of Ryan O'Neil. Also at the request of attorney John Kautzman the interview was not audio recorded.

The following is a summary of the information that Ryan O'Neil shared. Ryan said he had no explanation for what he had done and it was not planned it just happened. Ryan said he couldn't recall the exact date but it was several months ago and it was a weekend and he was working.

Ryan said he saw a lady walking/standing on the south side of town that was known for prostitutes and it was late at night and it was cold and rainy out. Ryan said he pulled up to the lady in his police car and asked her what she was doing. Ryan said the lady asked him what he thought she was doing and went onto to say she was trying to make some money.

Ryan said he told the lady he could help her out with some money and she asked what he wanted to do. Ryan told the lady he just wanted to see her naked and masturbate. Ryan said he honestly couldn't remember her name and thought she possibly gave him a fake name or stage name. Ryan said she wanted \$50 to do what he wanted but he was only willing to pay her \$20, explaining he was a cop and cops don't make much money.

Ryan said the lady agreed and got into the back seat of his police car and he drove to his credit union ATM and withdrew \$20 and then drove to an isolated spot in town.

Ryan said when they got to the spot, they both got out of his car and walked a few feet into an area that was pretty dark. Ryan said he told the lady to take down her panties and pull up her dress so he could see her bare butt and he proceeded to masturbate. Ryan said the lady leaned forward against a tree.

Ryan said after he was finished masturbating they got into his car, he gave her the \$20 and he took her close to where she lived but not right to her house. Ryan said it was in the area of [REDACTED] or [REDACTED] and [REDACTED] in the River Park area is where she wanted dropped off and that was pretty much it.

When Ryan was asked if he had her phone number, Ryan said he did at one point but he no longer had it. Ryan acknowledged he tried to call her two or three times after this night but she never did answer. When Ryan was asked why he tried calling her again, Ryan admitted he was probably going to try and hook up with her again and do the same thing.

When Ryan was questioned that it was hard to believe that he didn't have some sort of sexual contact with the lady, Ryan was adamant the masturbation was the extent of his contact with the lady, reasoning his wife is pregnant and he didn't want to take any type of disease home.

Ryan became emotionally stating he knew what he had done was wrong and still had no explanation for why he had done it. Ryan said his wife still does not know about the contact with the lady and is hoping to keep it that way.

On Friday, 3-5-20, Special Prosecutor Ric Hertel announced he would not be filing any charges against South Bend Police Officer Ryan O'Neill in connection with the police action shooting that occurred in June 2019.
